#DCHealthChat on HIV in DC.

Come chat with the Mayor about the new HIV Plan for DC

What is the Mayor's 90/90/90/50 plan? What does it have to do with me? Why should I attend?

The Mayor's 90/90/90/50 plan:

90% of DC residents with **HIV** know their status

90% of DC residents living with **HIV** in treatment

90% of DC residents living with **HIV** achieve viral load suppression

50% decrease in new **HIV** cases

Date: Tuesday, December 15, 2015

Time: 6 PM – 8 PM

Location: Department of Employment Services (DOES)
4058 Minnesota Avenue, NE
