Community Health Administration
Perinatal and Infant Health Bureau

THINK
before you
DRINK!

*A Pregnant Woman
Never Drinks Alone*

Friday, September 19, 2014
8:00 am – 4:00 pm

Howard University
College of Medicine
520 W St., NE
Washington, DC 20059

Goal: To increase the awareness of risks associated with perinatal alcohol use and its effect on the fetus.
