

**Health Regulations and Licensing Administration
Radiation Protection Division
899 North Capitol Street, N.W., 2nd Floor
Washington, D.C. 20002**

Dear Applicant:

The District of Columbia Municipal Regulations for Radiation Protection require that all companies or persons who supply, install, or repair dental, medical, analytical, or surveillance radiation devices be registered with the Department of Health.

The District of Columbia Department of Health's Radiation Protection Division is the designated Office responsible for implementing and enforcing the District's Radiation Protection Regulations. In order to insure that all applicable persons are in conformance with the licensure requirements, we have enclosed an application for registration. Please return the completed application. An annual fee of **One Hundred Dollars (\$100.00)** in the form of a **check** or **money order** made payable to the **D.C. Treasurer** is also required.

Once the documents are completed, retain a copy for your records and return the other documents to the address listed below:

**GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF HEALTH
RADIATION PROTECTION DIVISION
899 North Capitol St., N.E.
P.O. Box 37804
Washington, D.C. 20002**

Checks or Money Orders are payable to the D.C. Treasurer

If additional information is required, please contact me at (202) 741-7686.

Sincerely,

Gregory B. Talley, Program Manager
Radiation Protection Division
