Dear Nurse Colleagues,

On behalf of the District of Columbia Board of Nursing, I want to thank you for participating in this important workforce survey for Registered Nurses and Advanced Practice Registered Nurses. Please take a few minutes to complete the attached workforce survey which will allow the Board of Nursing and the Health Professions Licensing Administration (HPLA) to accurately capture, quantify, and analyze our current nursing workforce demographics. This survey will provide the information needed by the DC health care community to develop strategies for building the capacity needed to meet the workforce needs of the future.

**The data will be used for workforce statistical analyses and reporting purposes ONLY.**

We appreciate your cooperation and support.

Thank you.
