The mission of the D.C. Department of Human Resources (DCHR) is to strengthen individual and organizational performance and enable the District government to attract, develop, and retain a highly qualified, diverse workforce.

Summary of Services

DCHR offers executive management to District government officials and/or agencies by providing personnel-related services to help each agency meet daily mission mandates. Specific services provided include position classification and recruitment services, the interpretation of personnel-related policy, as well as oversight control (such as the adherence to regulatory requirements) for effective recruitment and staffing, strategic and financial restructuring through realignment assistance, and resource management. In addition, the agency provides District government employees with a variety of services, including employee benefits and compensation guidance, performance management, compliance, audit assessments, legal guidance on personnel matters, and training/development.

The agency's FY 2014 proposed budget is presented in the following tables:

Division Description

The D.C. Department of Human Resources operates through the following 7 divisions:

Compensation and Classification – provides position management, classification and compensation support services to District government agencies. Establishes official classifications and descriptions, designs and implements pay schedules, and develops classification/compensation policies, procedures and regulations. Provides expert advice to District government management in the areas of classification, compensation, administration of pay schedules, merit pay, compensation and classification policies, FLSA, and recruitment/retention issues.

Recruitment and Staffing Administration – provides recruitment, selection, and placement services to client agencies and oversight controls for effective recruitment and staffing, employee relations, and auditing of subordinate agencies delegated recruitment.

Benefits and Retirement Services – provides benefits services for the approximately 32,000 benefit-eligible employees and retirees to strengthen the individuals and organizational performance across the District. This includes plan management, contracting, and communication of all health, voluntary and retirement programs. Another function is the oversight and support of the Police and Firefighters Retirement Relief Board (PFRRB). The PFRRB hears and rules on optional, disability and survivor cases pertaining to sworn personnel of the Metropolitan Police Department, Fire and Emergency Medical Services Department, U.S. Park Police, and U.S. Secret Service.

Workforce Development Administration – provides training and development programs to District employees in order to attract, develop, and retain a highly qualified, diverse workforce. Administers a comprehensive set of programs to develop District leadership through the Certified Public Manager program, Capital City Fellows program, Centralized College Internship Program, and High School Intern Program.

This division contains the following 3 activities:

- **Training and Development** – provides training, a professional forum for implementing consortiums and programs that increase knowledge, skills, and competencies of District government employees;
- **Capital City Fellows** – provides central oversight for this two-year training program for recent graduates of master's degree programs in public administration, public policy, urban planning, and related fields while working for the District government; and
- **Special Programs** – provides central management of special programs designed to attract and recruit emerging leaders for the District government, and to make working in the District government a long-term career choice. Ranging in duration 6 weeks to 20 weeks, these programs promote leadership and competency development for local high school, undergraduate, and graduate students who want hands-on public policy municipal government experience. By extending outreach to the next generation of District employees, DCHR is responsive to city government challenges and proactive at arriving at modern solutions.

Compliance and Legal Administration – ensures that agencies comply with human resources laws, regulations, policies and procedures. Conducts criminal background investigations and drug and alcohol testing, and administers/enforces the District Residency Preference regulations for employment programs and the Domicile Requirement for District government employees, applicants and volunteers. Responsible for managing the HR control environment by identifying changes to applicable personnel laws, regulations and policies. Delivers training, continuing education and professional development programs and learning opportunities intended to enhance the knowledge, skills, and competencies of District government employees and residents alike.

This division contains the following 4 activities:

- **Legal** – provides legal assistance to DCHR and subordinate agencies to ensure that the District government attracts, develops, and retains a well-qualified, diverse workforce in compliance with the Comprehensive Merit Personnel Act and other relevant District and federal laws, rules, and regulations. It also provides legal advice to the Director and agency management on a variety of complex legal issues in order to accomplish DCHR's mission, provides legal advice and guidance to both subordinate and independent agencies within the District government regarding matters involving personnel and employment law, and provides litigation support to the Office of the Attorney General in a variety of pending legal matters;
- **Compliance** – conducts criminal background investigations of District government employees, applicants and volunteers. Provides drug and alcohol testing services for specified employees and applicants. The unit administers and enforces the District Residency Preference regulations for employment programs and the Domicile Requirement. It also investigates complaints of violations of the District Personnel regulations and make recommendations for corrective;
- **Police & Fire Retirement Relief Board** – provides oversight and support for the Police and Firefighters Retirement Relief Board (PFRRB). The PFRRB hears and rules on optional, disability and survivor cases pertaining to sworn personnel of the Metropolitan Police Department, Fire and Emergency Medical Services Department, U.S. Park Police, and U.S. Secret Service; and
- **Policy** – provides policy development and consultation services.

Business Operation Group – provides operational support to the agency's core HR functional service groups. More specifically, the group performs the following routine activities: (1) performs risk-based financial and operational performance audits and reviews of existing laws, regulations and policies; (2) conducts design and operational effectiveness reviews of existing business processes and functional Information Technology control activities; (3)

designs and documents existing and new processes that are intended to drive process improvements; (4) provides monitoring and oversight over the end-to-end human resources lifecycle of activities, and provides performance management reports and updates; (5) serves as the agency's fiduciary custodians responsible for properly safeguarding the District's records management portfolio of Official Personnel Files (OPFs) and other personally identifiable information; and (6) provides senior management with comprehensive measurements, analysis and planning support to effectively manage the agency's resources (resource allocation and planning), facilities (i.e., Employee ID and Credentialing Services, Fleet Management, Facilities Operations) and financial obligations (i.e., P-Card, Direct Vouchers, Contracts and Procurements, Petty Cash, Memorandum of Understanding (MOUs)).

This division contains the following 2 activities:

- **Measurement, Analysis and Planning** – provides risk-based financial and operational performance audits and reviews of existing laws, regulations and policies; conducts design and operational effectiveness reviews of existing business processes and functional Information Technology control activities; designs and documents of existing and new processes that are intended to drive process improvements; provides monitoring and oversight over the end-to-end human resources lifecycle of activities; and provides performance management reports and updates; and
- **Resource Management Group** – serves as the agency's fiduciary custodians responsible for properly safeguarding the District's records management portfolio of OPFs and other personally identifiable information; and provides senior management with comprehensive measurements, analysis and planning support to effectively manage the agency's resources, facilities (i.e., Employee ID and Credentialing Services, Fleet Management, Facilities Operations) and financial obligations (i.e., PCard, Direct Vouchers, Contracts and Procurements, Petty Cash, MOUs).

Agency Management – provides for administrative support and the required tools to achieve operational and programmatic results. This division is standard for all agencies using performance-based budgeting.

Division Structure Change

The D.C. Department of Human Resources has no division structure changes in the FY 2014 proposed budget.

FY 2014 Proposed Budget Changes

The Department of Human Resources' (DCHR) proposed FY 2014 gross budget is \$11,914,181, which represents a 15.5 percent increase over its FY 2013 approved gross budget of \$10,318,724. The budget is comprised of \$7,604,801 in Local funds, \$286,120 in Special Purpose Revenue funds, and \$4,023,260 in Intra-District funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2013 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The initial adjustments in the budget proposal represent changes that should be compared to the FY 2014 CSFL budget and not necessarily changes made to the FY 2013 Local funds budget. The FY 2014 CSFL adjustments to the FY 2013 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DCHR's FY 2014 CSFL budget is \$7,604,801, which represents a \$68,532, or 0.9 percent, increase over the FY 2013 approved Local funds budget of \$7,536,269.

Major CSFL Cost Drivers

The FY 2014 CSFL calculated for DCHR included an adjustment entry that is not described in detail on table 5. This adjustment was made for an increase of \$55,158 in personal services to account for the Fringe Benefit growth rate adjustment of 4.2 percent year-over-year growth, and \$13,375 in nonpersonal services, based on the Consumer Price Index factor of 2.4 percent. During the development of the CSFL, some adjustments such as these were categorized as "other adjustments".

Agency Budget Submission

Increase: In the budget proposal for Local funds personal services (PS), funding was increased by \$339,790 and 1.1 FTEs to support step increases and staffing needs. DCHR's proposed funding for Fringe Benefits also increased by \$112,835 to support projected salaries. In Special Purpose Revenue funds, Fringe Benefits were adjusted by \$1,962. The Intra-District funds budget was adjusted by \$731,015 to accommodate four major Memorandum of Understanding (MOU) agreements: legal services provided by the Office of the Attorney General for \$280,184; criminal background and fingerprinting services provided by the Metropolitan Police Department for \$142,500; medical services for police and fire clinics provided by the Metropolitan Police department for \$45,000; and financial services provided by the Office of the Chief Financial Officer for \$263,331. Other adjustments include increases of \$560,267 in Contracts to accommodate services previously budgeted in Local funds. Contracts were also increased by \$235,840 in conjunction with required MOU services. The budget was also increased by \$71,290 for the purchase of office supplies and small equipment, and \$32,200 for professional services, membership dues and travel.

Decrease: In DCHR's budget proposal for Local funds, Contractual Services were reduced by \$560,267 to support projected salary step and Fringe Benefit increases. Local and out-of-city travel were decreased by \$4,478 to align the budget with projected expenditures. In Special Purpose Revenue, the budget was adjusted by \$1,982 to offset Fringe Benefit increases and reduce staff by 0.3 FTE.

Shift: In order to ensure that the agency operates more efficiently, DHCR proposed the following changes: in personal services, \$115,445 and 3.7 FTEs were shifted from Intra-District to Local funds. In nonpersonal services, \$3,326 in equipment purchases and rentals were shifted from Local to Intra-District funds.

Mayor's Proposed Budget

Cost of Living Adjustment: This agency received a proposed cost of living adjustment (COLA) in both Local and non-Local funds. This adjustment includes \$8,452 in Special Purpose Revenue funds, and Intra-District funds may be impacted. For more information about the COLA, please see the Workforce Investments chapter contained in Volume 3 (Agency Budget Chapters – Part II) of the FY 2014 Proposed Budget and Financial Plan.
