Quest Diagnostics	www.questdiagnostics.com	- Real-time RT-PCR for serum and urine - IgM ELISA on serum

*As of April 25, 2017. FDA maintains a list of all Zika virus Emergency Use Authorizations on their website. Please refer to their website for the current list of the assays and the associated letters of authorization, fact sheets and product labeling. Assay-specific information (e.g., acceptable specimen types, performance characteristics) is included in the labeling.
