Dear Applicant:

The District of Columbia Municipal Regulations for Radiation Protection require that the owner or person having possession of any radiation producing devices register the device with the Department of Health.

The District of Columbia Department of Health's Radiation Protection Division is the designated Office responsible for implementing and enforcing the District's Radiation Protection Regulations. In order to insure that all applicable persons are in conformance with the licensure requirements, we have enclosed an application packet for registration. It includes a cover letter with instructions, an application, and a certification form. Please complete these documents and return them to us. The documents in this packet must be accompanied with the required fee. The fee schedule is as follows:

Dental X-ray Tube	\$250.00	Medical X-ray Tube	\$250.00
Each Additional Tube	\$100.00	Each Additional Tube	\$100.00
Late Fee	\$ 50.00	Late Fee	\$ 50.00
