<p>OS-17-09-006 ALL</p>	<p><b><u>CHANGES TO TRANSCRIPT REQUIREMENTS</u></b></p> <p><b>Board Action:</b> To review existing transcript requirements under 17 DCMR § 4602.5 to determine if changes are necessary.</p> <p><b>Background</b> Board staff has been working on updating all Board applications, including reviewing existing legal requirements, Board policies, and Board delegated authorities, to ensure the application process is as legally accurate and efficient as possible. During this process several issues have been identified for clarification from the Board on proposed changes to existing requirements. One such issue is regarding certified medical school transcripts.</p> <p>Currently under 17 DCMR § 4602.5, applicants are required to have certified transcripts of their medical education be sent directly from the education institutions to the Board or its designees. This has caused significant delays in processing of applications as applicants must request the transcripts from their school who must then send the transcripts directly to the Board. This also poses a future issue to any attempts to move towards an online application process, as the schools themselves cannot upload electronic copies to any such system. Staff is seeking Board feedback on changing this regulation to state the Board “may” require certified transcripts be sent directly from the institution, as opposed to “shall”.</p> <p><b>Motion:</b> Motion made by Dr. Smith to pursue changing 17 DCMR § 4602.5 as requested. Seconded by Dr. Fripp.</p>	

	<p>Dr. Wessel, Dr. Fripp, Dr. Colden, Dr. Wind, Dr. Manning, Dr. Smith, Mr. Rich, Mr. Straub, and Dr. Anderson voted in favor of the motion. The motion passed unanimously.</p>	
<p>OS-17-09-007 ALL</p>	<p><b><u>REQUEST FOR APPROVAL OF NON-ACGME FELLOWSHIP PROGRAM</u></b></p> <p><b>Board Action:</b> To review the request for approval, and supplemental documents, submitted by Children’s National Health System regarding their non-ACGME accredited Urgent Care Fellowship program.</p> <p><b>Background:</b> Pursuant to 17 DCMR § 4611.2(c), applicants for an MTL II license must be participating in an ACGME, AOA or Board approved postgraduate clinical training fellowship program. Staff recently received a request from CNMC for approval of their Urgent Care Fellowship program.</p> <p><b>Motion:</b> Motion made by Dr. Smith to approve the program. Seconded by Dr. Fripp.</p> <p>Dr. Fripp, Dr. Colden, Dr. Wind, Dr. Manning, Dr. Smith, Mr. Rich, Mr. Straub, and Dr. Anderson voted in favor of the motion. Dr. Wessel recused. The motion passed.</p>	
<p>OS-17-09-008 ALL</p>	<p><b><u>REQUEST FOR APPROVAL OF NON-ACGME FELLOWSHIP PROGRAM</u></b></p> <p><b>Board Action:</b> To review the request for approval, and supplemental documents, submitted by Washington Hospital Center (WHC) regarding their non-ACGME accredited Stroke/Vascular Neurology internship program.</p> <p><b>Background:</b> Pursuant to 17 DCMR § 4611.2(c), applicants for an MTL II license must be participating in an ACGME, AOA or Board approved postgraduate clinical training fellowship program. Staff recently received a request from WHC for approval of their Stroke/Vascular Neurology Internship program.</p> <p><b>Motion:</b> Motion made by Dr. Smith to approve the program. Seconded by Dr. Wessel.</p> <p>Dr. Wessel, Dr. Fripp, Dr. Colden, Dr. Wind, Dr. Manning, Dr. Smith, Mr. Rich, Mr. Straub, and Dr. Anderson voted in favor of the motion. The motion passed unanimously.</p>	

<p>OS-17-09-009 ALL</p>	<p><b><u>FOREIGN TRAINED MEDICAL GRADUATES EMERGENCY REGULATIONS</u></b></p> <p><b>Board Action:</b> To review the recently enacted emergency regulation that modifies the licensure requirements for foreign trained medical graduates in 17 DCMR § 4603.</p> <p><b>Background:</b> The Board previously reviewed and approved draft emergency regulations that would change the licensure requirements for foreign-trained physician applicants. Specifically, the emergency regulations would modify 17 DCMR § 4603.6, so as to allow the Board to consider non-ACGME or AOA approved postgraduate training and significant clinical practice, towards the requirement of three (3) years of postgraduate training, <b>if</b> the applicant has ever held a license in another state, or holds Board certification recognized by the ABMS or AOA. These emergency regulations became effective upon the signature of Dr. Nesbitt on September 6, 2017.</p> <p><b>Motion:</b> This item was for information purposes only, and so no formal action was taken at this time. However the Board did request a presentation at a future meeting to outline the requirements and differences between eminence and regular foreign trained medical graduates.</p>	
<p>OS-17-09-010 ALL</p>	<p><b><u>HEPRA PRESENTATION</u></b></p> <p><b>Board Action:</b> To listed to the presentation from the Health Emergency Preparedness and Response Administration (HEPRA) regarding the DC Medical Reserve Corp (MRC).</p> <p><b>Background:</b> HEPRA is the agency within the DC Department of Health that is tasked with operating the MRC. The purpose of the MRC is to establish a network of local volunteers who are willing to donate their time and expertise to supplement existing public health and medical resources during emergencies and other times of community need. HEPRA has requested to meet with the Board to discuss the role of the MRC and seek assistance in obtaining volunteers.</p> <p><b>Motion:</b> HEPRA cancelled their presentation at the last moment, and will instead present at the October 2017 meeting.</p>
