BABY BOOMERS:

Health, Wellness and Sex Through the Golden Years

Older Washingtonians over the age of 50, represent one fifth of all new HIV cases citywide. There is a strong need to heighten awareness among older adults.

This forum allows health care professionals, seniors, senior service providers, churches and advocates an opportunity to discuss strategies and plans for future activities to address this issue.

Friday, September 27, 2013
9:30 am – 12 pm
Martin Luther King Jr. Memorial Library
901 G Street NW, A-5
Washington, DC 20001

This event is planned by the Department of Health's (DOH) HIV and Aging Work Group which includes representatives from the DC Office on Aging, Bread for the Soul, Terrific Inc, Older Women Embracing Life, Inc, DC Commission on Aging Health and Wellness Committee, DOH Places of Worship Advisory Board, Residing in Group Housing Together and others.
