(a) (1) Any license, registration, or certification issued under this chapter may be voluntarily limited by the licensee, registrant, or person certified either:

(b) A board, at its discretion, may request the applicant or licensee, registrant, or person certified to attend a settlement conference prior to holding a hearing under this section, and may enter into negotiated settlement agreements and consent decrees to carry out its functions.

(2) A board shall require the attendance of witnesses and the production of books, papers, and other evidence reasonably requested by the person against whom an action is contemplated.

(3) In case of contumacy by or refusal to obey a subpoena issued by the board to any person, a board may refer the matter to the Superior Court of the District of Columbia, which may by order require the person to appear and give testimony or produce books, papers, or other evidence bearing on the hearing. Refusal to obey such an order shall constitute contempt of court.

(g) If, after due notice, the individual against whom the action is contemplated fails or refuses to appear, a board may nevertheless hear and determine the matter.

(h) A board shall issue its final decision in writing within 90 days after conducting a hearing.

(i) A board may delegate its authority under this chapter to hold hearings and issue final decisions to a panel of 3 or more members of the board or an administrative law judge in accordance with rules promulgated by the Mayor. Final decisions of a hearing panel shall

be considered final decisions of the board for purposes of appeal to the District of Columbia Court of Appeals.

Any person aggrieved by a final decision of a board or the Mayor may appeal the decision to the District of Columbia Court of Appeals pursuant to § 2-510.

- (1) The terms and conditions of the order of suspension or revocation; or
- (2) A final judgment or order in any proceeding for review.

(b) (1) If an order of suspension or revocation was based on the conviction of a crime which bears directly on the fitness of the individual to be licensed, registered, or certified, and the conviction subsequently is overturned at any stage of an appeal or other postconviction proceeding, the suspension or revocation shall end when the conviction is overturned.

(2) After the process of review is completed, the clerk of the court issuing the final disposition of the case shall notify the board or the Mayor of that disposition.

§ 3-1205.22. Criminal background check.

(a) No license or registration shall be issued to a health professional before a criminal background check has been conducted for that person. The applicant for a license or registration shall pay the fee established by the Department of Health for the criminal background check.

A board, immediately upon receipt of a certified copy of a record of a criminal conviction, shall notify the person in writing at that person's address of record with the board, and at the facility in which the person is incarcerated, of the suspension and that the person has a right to request a hearing. In determining the extent to which any disclosure of all or any part of any record is necessary, the court shall impose appropriate protections against unauthorized disclosures.
