2012 STEP 3 APPLICATION INSTRUCTIONS

District of Columbia Board of Medicine
899 North Capitol Street, NE, 1st Floor
Washington, DC 20002

APPLICATION MATERIALS

The application materials consist of the 2012 USMLE Step 3 Application Form and Instructions and the instructional materials of the District of Columbia Board of Medicine. Important informational documents such as the *USMLE Bulletin of Information* and *Step 3 Content Description and General Information* are available at the USMLE website – www.usmle.org. You should carefully and completely read all application materials and the informational documents before applying.

Application for the Step 3 must be made on the current, official form and a new application must be submitted each time you apply. USMLE policy information regarding eligibility requirements, examination content, testing conditions, scoring and score reporting appears in the *USMLE Bulletin of Information* and the FSMB website – www.fsmb.org.

COMPLETING YOUR APPLICATION

Applications are processed by date of receipt. Allow approximately 2-3 weeks for processing once the FSMB receives your application. Consult the District of Columbia Board of Medicine for their current application processing time and add this to the FSMB's 2-3 week processing time. You must provide an e-mail address on your application. If you do not provide an e-mail address you will not be notified about the availability of your Scheduling Permit and Score Report.

Your application, fee and any required documents must be received at the FSMB by August 31, 2012. Any registration incomplete after August 31, 2012 will be cancelled. You should monitor the status of your Step 3 application once it arrives at the FSMB by using the Candidate webpage located on the FSMB website – www.fsmb.org

STEP 3 ELIGIBILITY REQUIREMENTS

Consult the *USMLE Bulletin of Information* for the core USMLE requirements to sit Step 3; consult the materials provided by the District of Columbia Board of Medicine for their state-specific requirements. If it is determined that you do not meet USMLE eligibility requirements at the time your application is received, your registration will be cancelled, and a portion of your USMLE Step 3 fee withheld.

FEE

For specific fee information, see the enclosed materials of the District of Columbia Board of Medicine. Make a check or money order payable to the FSMB in U.S. currency. Record your name, USMLE Identification Number and last four digits of your U.S. Social Security Number on your check or money order. The USMLE Step 3 fee is nonrefundable and nontransferable from one eligibility period to another and from one application to another.

NAME CHANGE/CORRECTION OR ADDRESS CHANGES

Name change or corrections require a written signature. For complete instructions, refer to the Name Change/Correction Authorization form posted on the FSMB website – www.fsmb.org/usmle_forms.html. Address or e-mail address changes made after your application is received in our office must be done through the Candidate website available through the FSMB website – www.fsmb.org.

RECEIPT OF YOUR SCHEDULING PERMIT

Once your application is registered and eligibility status approved, a Scheduling Permit notification e-mail will be sent to you at the e-mail address provided on your application. The Scheduling Permit includes your assigned eligibility period, which begins immediately (90 days plus two additional weeks to allow for the permit to become available on the Candidate website), as well as other pertinent information and instructions. Consult the *USMLE Bulletin of Information* and the FSMB website – www.fsmb.org for more details.

You will not be allowed to sit for the Step 3 exam without presenting your Scheduling Permit to the proctor on each day of the exam. It is your responsibility to contact FSMB if you have not received your notification of your Scheduling Permit in a timely manner after submitting your Step 3 application. NOTE: The name on your unexpired, government-issued photo identification that you are required to present at the test center must match exactly the name on your Scheduling Permit.

The USMLE program produces Scheduling Permits and Score Reports as an electronic document. Therefore, an e-mail address is a mandatory field that must be completed on the Step 3 application form in order to provide you with instructions on obtaining and printing your Scheduling Permit and Score Report.

SCHEDULING YOUR EXAMINATION

Prometric schedules test dates on a first-come, first-served basis. **You are urged to schedule your appointment and test early in your eligibility period.** This will provide the greatest flexibility in the event you must reschedule your appointment. Consult the *USMLE Bulletin of Information* for more detailed information on scheduling with Prometric.

ELIGIBILITY EXTENSIONS

Under most circumstances, a one-time 90-day extension of your eligibility period is possible. Requests must be received no later than 10 days after the end of the current eligibility period. For further details, including the fee for this service, consult the FSMB website – www.fsmb.org/usmle_forms.html

REQUEST FOR TEST ACCOMMODATIONS
