Office of the State Superintendent of Education Announces Criteria for 2009-2010 Free and Reduced Priced Meals

The District of Columbia Office of the State Superintendent of Education announces the criteria for determining the eligibility of children to receive free and reduced price meals for institutions participating in the Child and Adult Care Food Program (CACFP), for schools participating in the National School Lunch Program (NSLP) and the Special Milk Program (SMP) for free milk in schools.

For schools participating in the NSLP and SMP, a letter or notice and family application forms are distributed to parents of all children in attendance at school at the beginning of each school year. The letter or notice shall contain the following information:

- The eligibility criteria for either free or reduced priced meal benefits and for free milk benefits;
- How a household may complete an application for free or reduced price meals or for free milk for its children;
- An explanation that an application for free or reduced price benefits cannot be approved unless it is completed in its entirety;
- An explanation that households with children who are members of currently certified food stamp or TANF households may submit applications with abbreviated information;
- An explanation that the information on the application may be verified at any time during the school year;
- How a household may apply for benefits at any time during the school year as circumstances change;
- A statement that children having parents or guardians who become unemployed are eligible for free or reduced price meals or for free milk, provided that the income is within the eligibility criteria;
- A statement that in certain cases foster children are eligible for free or reduced price meals or free milk regardless of the household income;
- How a household may appeal the decision of the School Food Authority under the appeal procedures by making a request to the school official.

For participating institutions under CACFP, a similar letter is distributed to parents/guardians and/or adults enrolled in CACFP informing them of the benefits of the Program, the purpose of collecting income information, defining a household, and information on reporting receipt of food stamps, TANF, SSI, and Medicaid. In addition, information is provided on how households may appeal decisions determined by the CACFP organizations.

The CACFP institutions and schools will receive free or reduced price meal reimbursement based on the following income scales from July 1, 2009 to June 30, 2010.

Family Size	Eligibility Scale for Free Meals	Family Size	Eligibility Scale for Reduced Price Meals
